Henry County Health Department Investigating COVID Cases Linked to Local Event

Napoleon, OH – Through contact tracing investigations the Henry County Health Department has identified several confirmed cases linked to the “Name That Tune” event at Leisure Time Winery in Napoleon on July 11th between 6pm-10pm. The department is working with Leisure Time Winery regarding the event and related cases. The health department is requesting those who attended the event to please call their local health department. Henry County Health Department can be contacted at 419-599-5545.

“We urge anyone who attended the event to watch for symptoms and contact their healthcare provider should they begin to experience any,” stated Julie Lauf, Director of Nursing. “Every guest in attendance longer than 15 minutes should self-quarantine through July 25th and seek a COVID test if you have any symptoms. This includes remaining at home during these days, watching for symptoms, and if possible stay away from others, especially those who are at a higher risk for getting sick from COVID-19.”

Symptoms of COVID-19 may appear **2-14 days after exposure to the virus**. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

To prevent the spread of COVID-19, residents are strongly encouraged to wear a face covering in public, maintain a distance of 6 feet away from others, wash their hands frequently, and stay home if ill.

For additional COVID-19 information and testing locations, please visit <http://henrycohd.org/covid-19/>
