Do you have any of these problems at your home?

You might have a sewage system that needs repaired or replaced.

Sewage System Repair/Replacement Funds Available for Henry County Residents

The assistance will cover up to 100% of the cost to install or repair the home sewage treatment system and to abandon the old sewage system.

In order to qualify for assistance:

- The applicant must own and live in the home as their primary residence. Rental properties are NOT eligible for assistance.
- The total gross yearly anticipated household income must be at or below at least 300% of the Federal Poverty Guidelines (see below).
