

Sensory-Friendly Vaccine Clinic

We are committed to giving your child the best immunization experience possible. If your child has sensory needs, we are able to provide the following options upon request.

Band-aid
choice board

Variety of sensory fidgets

Ability to
make the
room darker

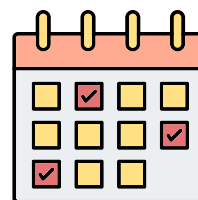

Relaxing music
with nature
sounds

Buzzy Bee
injection tool and
ShotBlocker to
help decrease
pain

Social Narratives and
Visual Schedules

Weighted
lap pads
