

# HENRY COUNTY CARES

*Connecting you to the resources and services you need*

## About the Program

Henry County Cares links you to the services and resources you need. Our Community Health Workers (CHWs) help you get the care you need, connect to resources, educate how to take care of any health issues, and support you every step of the way.

Our CHW staff can meet with you in your home, at the department, attend appointments with a doctor or community agency:
